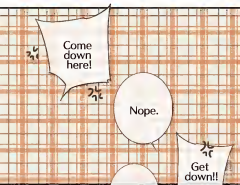
Child you are so unreasonable. Clearly you're the one who trespassed on my dream.

Nonsense! You were eaves-dropping!

Come down here!
Nope.
Get down!!
No!



If you've got a problem you should come up here yourself.

Come on.

Urgh! You gravely underestimate me!

Feng!
Yes m'am!

Jumps!
Hup!
Patter!
Hehe, this little girl made it all the way up here what do you think of that?!
Hah, I've never seen a child capable of doing that.
Haha who're calling a child? You don't look much older than me.
Pleased with herself~
Hmphm~

Don't confuse me for a wimpy kid like yourself.
You ARE still a wimpy kid! Why're you wearing that mask, you don't want people to see you?
I don't want to tell you.
Infuriating!
Halt! I didn't allow you to leave!
Take off your mask and I'll stop complaining about your eaves-dropping!

You're well-behaved so I won't argue with you.

Hey you forgot your mask!

I'm giving it to you.

Tch, your mouth was just in it why would you give me something so cheap?
So cute...

Miss, we ran away for so long this time don't you think the Lord and Lady will definitely reproach us?

I sent mom and dad a letter so you don't need to be afraid! They certainly won't beat us!
You can just say I forced you to come along!

You say that but I'm still worried...

Okay okay let's go home! If we get a beating there's nothing we can do!
Okay...
Clomp Clomp Clomp
Miss, before that strange guy wearing the mask was flirting with you right? I saw it I saw it...
